

## **JOB OPENING – CITY PLANNER/SENIOR CITY PLANNER**

The City of Excelsior Springs, home to the historic Elms Hotel and Spa and Hall of Waters, is seeking a highly-qualified, self-motivated candidate for the position of City Planner or Senior City Planner. This growing community has a long history of planning and community engagement offering a wonderful opportunity for planning professionals. Under the supervision of the Economic Development Director, this position is responsible for assisting the public and development community with all aspects of the City's long-range planning, zoning and subdivision regulations, and municipal code. This position serves as staff for the Planning and Zoning Commission, Board of Zoning Adjustment and the Historic Preservation Commission to establish, interpret and implement general planning and zoning policies, environmental standards, and historic preservation policies.

The ideal candidate must be a team player that will work in a multi-disciplinary department and will be eager to serve the community. This position will interact with both internal and external customers. Strong written and oral skills are essential.
